

## Why Choose a Preventative Care Package?

There are so many ways to spoil your pets. Why not spoil them with veterinary care? At Lincolnway Veterinary Clinic, we treat your pets like family, so we have designed a plan that is affordable and easy for you to keep your best friend up to date on preventative care!

Wellness plans allow you to pay monthly installments for your pet's care. Not only are the payments affordable, but they get your pet quality care at a discounted price!
